From Exit #20 - Santa Fe Ranch Road off I-40 in Yucca, Arizona:

After you turn left at the stop sign you will come to a series of road choices. The first road on the right is a paved frontage road. Take the second road from the right called Yucca Vista (it is a dirt road). NOTE - Do NOT start driving down Santa Fe Ranch Rd (third road from the right). There is a ranch sign posted right after you head down Yucca Vista Rd. pointing you to Stagecoach Trails Guest Ranch. It is a sign with a cowboy riding a horse that says Stagecoach Trails Guest Ranch 11 miles ahead. There are other signs posted along the way that tell you when to turn and how many miles are left before you arrive at the ranch. Follow Yucca Vista Rd approx. ¾ mile until you reach a Y in the road. Stay to the left on Kickapoo Rd. Keep going for about 2-3 miles until you reach an intersection (which is Pipeline Rd). Go left and you will be following electrical poles for about 7-8 miles and cross over two cattle crossings (break in fence with pipes in the ground). Approximately 1/8 mile AFTER the second cattle crossing, you will turn right at the first road you come to - Doc Holliday Rd. Follow that road to the ranch's driveway (about 1 mile) and proceed up the driveway. Park next to the third building on the right (just past the small arena), which will be the Frontier Lodge and someone will greet you and check you in. Please call anytime for help or info at 928-727-8270 or 866-444-4471.

FYI – Remember we don't sell any beer, wine, or liquor at the ranch but you are welcome to bring your own. So please stop in Las Vegas, Kingman, Needles, Yucca, Exit #9 on I-40 or any other stop along the way to purchase some.
